<>Some Examples of Raffle Techniques

Banquet Bands are usually used to raise money on the “Gun of the Year” Raffle. However, they can be used to raffle any item. Band Raffles generate a lot of excitement at Banquets. This excitement tends to help draw more patrons in succeeding years. The best part is that your members will have an everlasting collector’s item to take home with them, not a paper ticket that simply gets thrown away. The bands can be stamped with your chapter name and banquet date and consecutively numbered. A piece of thick string /lanyard can be used so they can keep track of the bands and numbers.
